Since 1946 our business has grown through customer satisfaction. We back our Educational Training Products with a :

ONE-YEAR WARRANTY

LRL(Reliance) guarantees that its EDUCATIONAL TRAINING PRODUCTS are manufactured to rigorous quality standards and that the specific product identified below will perform all the functions and experiments described in its operating manual. This product is warranted against defects in materials and workmanship for one year from the date of shipment. If notified within the warranty period of a defect, LRL (Reliance) will replace or repair at its option the product provided it has not been improperly used. Prior approval is required for returns and the cost of a return shipment must be prepaid.

LRL'S (Reliance) liability is limited to the cost of correcting defects in the product identified below and we accept no liability for direct, indirect, special incidental or consequential damages. Damages incurred in shipment are also exempt from this warranty.
